

EL RANCHITO

Family Days

Saturday March 14 & Saturday, March 21, 2026

10 am to 3 pm

Come have fun as a family at camp for a day during Spring Break!

In March, El Ranchito will have a day of programming to learn about camp and try new things. We will host free activities such as:

Archery

Nature-Themed
Craft

Hike with a
Master Naturalist

This is a great opportunity to learn about camp, scholarships, and explore our facilities. Families will also have the chance to register for camp this summer! A fresh meal will be provided by our wonderful Chef Addie!

This event has no cost to attend!
